

2018

**CHILDWORKS, INC.**

P.O. Box 206  
Kulpsville, PA 19443

**Dear Parents,**

E-Mail [info@childworkspreschool.com](mailto:info@childworkspreschool.com)

We are looking forward to the beginning of the twenty-sixth season of **CHILDWORKS SUMMER CAMPWORKS** program. Childworks' summer **half-day** preschool camp is a structured recreational program for children two-years-old through entering Kindergarten. The program focus is on social/emotional and developmental skills. Since classes are limited, it is very important to enroll early.

We accept a small number of children at camp. Ratios are kept lower in the summer so that the children can adjust to new classrooms, teachers, and friends. Preference for admission is given to children enrolled in the Fall 2018 program (and children who've graduated pre-k/k Spring 2018). Children not attending our program in the Fall 2018 may be admitted, space permitting. The teachers strive for easy transition and consistency in routine throughout the summer. However, we do not guarantee that your child will have the same teacher this summer as they will have next fall.

CAMPWORKS 2018 will offer six weeks of camp. This summer's topics include "The Mighty Jungle" and "On and Under the Sea" which incorporates learning activities, games, experiments, art, music, and indoor/outdoor play.

Camp sessions will be offered Monday through Friday. Hours of camp are 9:00 to 11:30 a.m.
